ROSSPORT

WATER ASSOCIATION ELECTS EXECUTIVE

The annual meeting of the Rosspport Water Associa-
tion was held Friday evening with Toi Seppala
chairing the meeting. Secretary, C. Todesco read
the minutes and correspondance and the financial
statement proved satisfactory.

It was decided to send invoices for the 1969 water
accounts to those who had not paid their water bills,
stating that if not paid at once they would possibly
have their water shut off. It is only fair to all water
subscribers that these accounts be paid if they want
this convenience.

It was decided to purchase supplies of pipes,
fittings, etc., to keep on hand in case of an emer-
gency.

The election of the executive took place with
Felix Legault, Jack Spillet, C. Todesco, A.
Rouble and E. Gerow elected. Chas Todesco, sec-
retary-treasurer for another term was advised to
call an executive meeting soon. Retiring chairman
Toi Seppala was given the title "advisory chairman."

Felix Legault moved a vote of thanks being given
Mr. Seppala.

Mrs. Ibey moved adjournment.

BAKE AND PRODUCE SALE RAISES FUNDS

Friday morning, from eleven to twelve noon, the
school children helped with a bake and produce
sale at the school to raise funds for the Junior Red
Cross.

Grades four, five and six pupils had charge of
the sale. The vegetable table had carrots, beets,
turnips, cabbage, squash and parsnips for sale,
while the children at the bake table were kept busy
disposing of cakes, tarts, doughnuts, cookies and
rolls. Following the sale, the teacher showed films
on Pakistan and Iceland with Tommy Bouchard as
narrator.

COFFEE TABLE TOP CONVERSATION PIECE

Mrs. Ray Kenney hosted the members of St. Ber-
chman's Altar Society, Thursday evening for their
regular monthly meeting. Nine members responded
to roll call.

The president, Mrs. E. Gerow, chaired the meeting
and led in opening and closing prayers. Mrs. Herb
Legault read the minutes and Mrs. Felix Legault pre-
sented the financial statement. A report was heard
on the repairs at the church. All outstanding acc-
ounts were passed for payment including the insur-
ance premium.

It was decided to purchase articles for the church
sale, and also material for sewing and needlework.
A discussion was held on why the parishioners can-
not send their children to a school of their choice
as the school attendance here is over 90 per cent
Roman Catholic.

The members wondered if the tax payer couldn't
pay his taxes to which ever school system he desired.
Information is to be sought on same.

Following luncheon Mrs. Kenney introduced the
ladies to her display of Lake Superior, Mexican and
U.S.A. stones as well as those from other countries.

Mrs. Kenney learned her hobby from her son
Eddie who had the machinery and equipment when
in High School. After leaving home Mrs. Kenney
took over where he left off. She cuts, polishes,
tumbles and mounts the various stones in jewellery.

Dinner rings, necklaces, bracelets, cuff links,
and pins are among her specialities. From Mexico
she has collected aragnite, crazy lace, fire opal,
chrysocola, silver, hemmorphite, fire agate, wulf-
enite, a pache tears, lagoon agate, cocoonut balls
or geodes, and arrowheads. - cont'd page 19
