**FR. MURTAUGH GUEST SPEAKER AT CPTA**

Prior to the November meeting of the CPTA., classrooms in the school were open for parental inspection with student projects and work on display.

Father Michael Murtaugh of Thunder Bay, Diocesan Director of the C.P.T.A., was guest speaker, introduced by Yvon Beauparlant, who presided for the meeting.

Father Murtaugh told the parents their organization was still essential and an advantage to the school. He described the new approach to Christian Doctrine, saying it is similar to that used with secular subjects--facts remain the same but the presentation differs. He urged parents to up-date their thinking and accept the new trend.

A film "To Touch A Child" was followed by a discussion of the ideas suggested by it and by Mr. G.S.O'Brien, Supt., of Separate Schools, at a recent meeting and their application to the school system.

Lunch at meetings will be discontinued but the coffee hour which engenders lively informal exchanges of opinion, will be retained.

The door prize, donated by Mrs.A.Costa, was won by Mrs.Pat Cook. (Continued next column..)

**FORTY FINISH SKATE-A-THON**

A loyal and enthusiastic audience attended the recent skate-a-thon, both day and night, to cheer on the skaters. Proving it was no endurance test, some of the boys, conditioned by hockey, amazed

their fans by dashes and curvettings during the last hours!

There were 148 entries with forty finishers--thirty-one junior and nine senior. They will all, to mark the 1st. Northshore Skate-A-Thon, receive trophies with their names inscribed. The nine who completed the 30 hours will receive cheques for ten dollars the modest sum proving the skaters entered to contribute to Minor Hockey funds.

The sum of \$863.75 has already been collected and sponsors are urged to contribute the balance outstanding which will bring the total to over \$1,000.00.

The project was a community effort with support contributed in many and various ways other than direct sponsorship, although this was generous. The committee is most grateful to the St. John Ambulance, who were on duty throughout the 30 hours, and the Ice Fund Committee who kept the food booth open, and to others who assisted in various ways.

Tom Quinton was chairman and organizer of the event, assisted by Frank McKenna. Reeve Fred Harness fired the opening gun.
