

**FOSTER HOMES
FOR
SENIOR CITIZENS**

It has been found that many Senior Citizens who have good health, are ambulatory, and able to care for themselves, prefer remaining in the stream of community life where they can carry on in a normal manner. The Board of Management of Pinewood Court District of Thunder Bay Home for the Aged have expressed interest in obtaining Foster Homes in the District and City of Thunder Bay. These homes should be able to provide a normal home environment for the elderly citizen with the hostesses having a genuine interest for the older people.

Persons interested in providing this type of accommodation can make arrangements by writing or calling: - Pinewood Court, 445 James Street, Fort William, Ontario. 577-1127.

TALENT MONEY TO BE RETURNED

Sunday, December 7th, is the day to return the borrowed "talents" to the Community Church. The Church from which we borrowed the idea gained more than \$1,000. when their talent money was returned. The interest on their money had been earned by such efforts as bake sales, bazaars and a door-to-door broom sale.

Perhaps you didn't happen to be in Church the Sunday in June when the Church invited the congregation to take some money from the plate, and turn it into a profit. It is not too late to use your talents to help the Church.

In an article written by Peggy Fleming, 1968 Olympic ice-skating champion, she says, "I firmly believe that God has given each of us a special talent - be it in the arts, crafts, science, business or homemaking, and as the parable in the Bible states, if we bury our talents in our own self-satisfaction, or fear to try or simply do not want to make the effort, we fail Him, our world, and our selves.
