

Credit Union Annual Meeting - cont'd from page 13

L.R. Tremblay was elected to the Supervisory Committee for a three year term, with C. Sparkes and L.V. Godin as continuing members.

Mr. Harness congratulated the incoming officers, and thanked the others for their support during the past year. He regretted the loss of W.E. Collinson who recently moved to Chapleau and thanked Elmer Niemi who has filled Mr. Collinson's position on the credit committee so capably.

Mr. Harness then introduced B.A. McLellan, of the Lakehead CPR Credit Union, who said, in part, that Credit Unions are operating under different conditions than in former years. He felt that not only must the system of lending money be updated to meet competition, but procedures and by laws changed.

Draw prizes were won by Bob Turner, John Gagnon, Chester Baillie and Lawrence Tremblay.

A dance, to music by the Midnights, and a cold plate lunch ended the meeting.

Speaking briefly Mr. Haddad explained the reason for forming the new areas. The former boundaries seemed unreasonable and after study of the economic areas, as designated by a government survey, these appeared to be what is required, with subdivisions as necessary.

He suggested that a development fund campaign be planned with a five year goal, and to further this that regional organizers be appointed or elected. Mr. Haddad further suggested that thought be given to combining the offices of chairman and O.A.M.R. representative, when election of new officers takes place. This move is an emerging pattern in the association.

Mr. Ferron said his meeting with officials of the Department of Education in Atikokan had been most successful, being promised their full co-operation. He had also been assured by E.J. Morgan, Director of Education, Lake Superior Divisional Board of Education, that every effort would be made to establish a school in Schreiber.

The next meeting was planned for Saturday, April 25th, in Nipigon.

Mr. Charnock asked those who had received certain forms to fill them in and return as soon as possible to Mrs. Dolly Robinson. - cont'd page 15
