

Holiday Season Hazards - cont'd from page 4

At the risk of sounding negative on such a festive occasion, the Council says parents should cut down the traffic in the kitchen when a bird and other delicacies are being prepared. A painful scald is much more negative.

Make sure the only casualty during the holiday season is the turkey, Mr. McLaren said wishing everyone a Merry Christmas and a Happy New Year on behalf of the Canada Safety Council.

TOWN COUNCIL (from page 8)

This is still under investigation. Windows were broken in the Community Church basement; one car accident was investigated; one person convicted for dangerous driving and license suspended for 6 months; one person charged with fraud and sentenced to 6 months; one person charged with escaping lawful custody and convicted; one case of impaired driving remanded to December 16; one person charged with having liquor in other than his residence and convicted.

The tax billing in 1970 will be handled by electric data processing from the District Data Centre in North Bay.
