Willie (shack-up) Sernesky, also noted as a great fight promoter, is endeavouring to raise a few "g's" by matching up such great boxing stars as "Lard" Campbell and "Hay-Bo" Sutherland.

PAPER NO. 2 - "SAFETY MEETING" - "Safety principles and their application to the man on the job," was the keynote of an address delivered by E.J. Brady in inaugurating the first of a series of safety lectures last Wednesday in the Recreation Hall.

Mr. Brady went into considerable detail on the cause and prevention of accidents and stressed the importance of receiving prompt medical attention in all cases of injury whether they appear trivial or not.

"By taking unnecessary risks you are not playing fair to yourself or to your employer," he stated. Added precautions should be exercised by every employee particularly at this time of the year when weather conditions present additional hazards."

He also explained several clauses of the workmens compensation act emphasising the fact that in all cases benefit from injury does not commence until the expiration of six waiting days.

It is reported on good authority that a requisition has been placed for a new sign on the Engineers Office, worded thus "THE OLD FOLKS HOME."

HOCKEY NEWS - A bold entrance into organized sport was made last week when the newly elected hockey executive voted unanimously to sponsor a team in the North Shore Hockey League.

Plans for the formation of a 3 team "house league" were also agreed on and are expected to be approved in the near future.

A lively discussion arose over the proposed specifications of the hockey rink and it was decided to request the proper authorities to enlarge the size of the rink 10' in width which would make the overhall
