#### ADVANCE NOTICE REQUESTED

In my efforts to be a better correspondent for the community of Terrace Bay, I would appreciate the co-operation of clubs, organizations and individuals in giving me twenty-four hour notice, when possible, of coming events you wish me to cover. This applies particularly to events at which you would like me to take pictures. I try to get my news into the Terrace Bay News Office Monday morning, so please, call me before that time, so that I have time to type up your reports of activities.

Thank You.
