The new chairman, Mrs. Schritt, asked about missionary projects for 1970.

It was suggested that the secretary write Mrs. Chalmers, of the Thunder Bay Social Services, and inquire if there is a need for used clothing or supplies

Mrs. M. Anderson and Mrs. D. Almos agreed to take the Scripture for the next meeting and also supply the lunch.

### AN ITEM OF INTEREST

Letter to the Editor, Kitchener-Waterloo Record - Deserving of Praise:

Too often are the Army, Navy and Sea Cadets described as little boys playing soldier. Why are people unwilling to put a little thought into their criticism? The cadet system may outwardly appear to be a waste of taxpayers' money, but the worthwhile results are not easily seen by the unthinking public.

Juvenile delinquents, long haired, loudmouthed hippies and other undesirable elements are rarely involved with cadets. Cadets are not only kept off the street but are taught to respect discipline, to respect the rights of others and most important of all, to respect the country in which they live. cont'd page 9.
