

Management Dinner - cont'd from page 1 . . . . .

The interest shown as he developed his theme under three headings, (1) we must have some idea of who we are as people; (2) we spend a lifetime relating to people and (3) our relationship to our employer, was a tribute to his personal magnetism and ability as a speaker.

At the conclusion of his address Mr. A. Chisholm, on behalf of those present, thanked Mr. Leach, mentioning relief experienced on his arrival in time to attend the dinner. Unpredictable weather at this time of year makes it very difficult to meet a schedule but in this case all those attending the event were glad that Mr. Leach had been able to make the trip.
