Bobby has a personality just as winning as his smile. At 20 months he is an active little boy, running and climbing and generally getting into things. He is a real mimic, especially of other children. He chatters constantly and his vocabulary is growing all the time.

Bobby is a sturdy, healthy child with big brown eyes, blonde hair and fair skin that tans beautifully in summer. Though he is such a lively fellow, he is an affectionate child who loves to be cuddled.

Bobby likes children and dogs and is happy to get lots of attention. He needs loving parents who will enjoy a good-natured, happy young son.

To inquire about adopting Bobby please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For information ask your Children's Aid Society.
