ST. JOHN'S CHURCH ANNUAL MEETING

Rev. Arthur Chabot, who chaired the annual vestry meeting of St. John's Anglican Church, suggested that arrangements be made for a visiting and special service day, once a week, to serve Schreiber parishioners.

P.R. Bailey, church treasurer, in his report, indicated a successful year in church work.

W.G. Furlonger was appointed vestry clerk.

Mr. Chabot reported sixty-five services held, thirty-seven of these being communion, four baptisms, one marriage and two confirmed.

The report of the Anglican Church Women, given by Mrs. Jack Bryson, showed an active and financially successful year. She said new Altar linens are on order, more dishes are needed for the kitchen cupboards, and asked that consideration be given to renovating the vestry.

Mrs. Robert Winters reported the organ fund steadily increases.

Following Easter, a Sunday morning service, once a month, on a trial basis, will begin with the Lenten services. A laymen's service was also considered.

Godfrey Birch agreed to take charge of subscriptions for the Algoma Anglican, and W.G. Furlonger volunteered to contact young men of the church to act as sidesmen.

The stipend for weekly services was increased.

Collections from Lenten folders showed an increase and Advent offerings were successful so it was agreed to continue with both this year.

A vote of appreciation was given to Rev. Chabot who comes from Marathon each Sunday to hold evening service in Schreiber.

Other officers elected were - Godfrey Birch, - warden; Norman Bottomley - people's warden; P.R. Bailey - church treasurer; W.G. Furlonger - envelope secretary.

George Birch and Godfrey Birch were appointed auditors.

Following the meeting lunch was served by the A.C.W.
