

FIRST BROWNIE PACK ENROLMENT

It was dark as six little tweenies led by Snowy Owl made their way through the enchanted forest. All of a sudden there was a twinkling of fairy lights as Brownies sang to welcome into their ring the new Brownies - Marie Rochon, Laura Caccamo, Maureen Pytyck, Kathyne Lang, Cathy Dakin and Pamela Calder.

So proceeded the enrolment ceremony for the 1st Terrace Bay Brownie Pack on January 27th. While parents and guests looked on each new girl made her Promise to the pack. Later, several older Brownies were awarded with their second year service stars. Paula Magi, on behalf of the pack, presented a gift to Mrs. W. McKie as a token of their appreciation of the fine work she had done with the pack before her recent retirement.

Madame Commissioner, Mrs. G. Caron then presented Brown Owl, Mrs. R. Moher with her Brown Owl pin.

After a couple of lively games under the direction of Tawny Owl, Claire Belliveau and Snowy Owl; Cathy Melnyk, both guests and Brownies settled down for a short Pow-wow which ended the meeting.
