**TODAY'S CHILD**

BY HELEN ALLEN

Toronto Telegram Syndicate

This serious-looking young fellow is Roger, aged one year and a bit. He is a sturdy boy of English, French and Irish background, with blue eyes, very blonde hair and fair skin.

Roger has never been sick. He is a happy boy who loves to be with people and is alert and responsible. He enjoys toys but likes even better the contents of the kitchen cupboards.

Roger is a very active baby. He crawls at top speed and can pull himself up to stand. Occasionally he forgets to hold on and then collapses in astonishment when he finds himself without a prop.

To inquire about adopting Roger please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For general adoption information ask your Children's Aid Society.
