

CHALK UP TWO MORE FOR TERRACE BAY HIGH

There was real action in good old Terrace Bay High School last week. The girls basketball team came away with the Western Division Championship after two close games played against Schreiber on Monday and Tuesday, the total score being 64-63 for N.S.S.S.A.A. Finals which they won by defeating the Manitowadge girls team with a score of 46-28.

Terrace Bay also hosted the boys N.S.S.S.A.A. basketball finals and North Shore Cheerleading competition on Wednesday. Classes were dismissed early for these events and students lined the walls of the gym.

The Marathon boys competed against Schreiber for the title and succeeded with a score of 35-24 for Marathon. Between games Cheerleading competitions were held. With only a seven point margin between winner and last place, Schreiber topped the rest.

Competing squads were from Manitowadge, Marathon, Nip-Rock, Schreiber, Terrace Bay and Wawa.

Coming events - N.W.O. Girls basketball finals - March 13th and 14th in Terrace Bay - teams from Thunder Bay (Selkirk High) Dryden, Schreiber and Terrace Bay. Come out and support your team!
