Expo 70 opened to the public March 15th. Can-
ada was one of the first countries to confirm its
participation in the World Exposition and already
its unusual, mirror-walled pavilion is being talked
about as one of the hits of the fair. Canadian
music will be represented by many groups - mostly
pop - and on CBC Metronome, March 14th the
whole program was devoted to music which is to be
featured at the pavilion.

tranquility in the public library - and then I discovered
martinis."
