of Fashions

It's the complete take-over of shape, the greatest look in men's fashion today. In the clothes that make a man look taller, slimmer, more exciting than ever.

And the greatest thing that's happened to shaped clothes is the arrival of the 'BOTANY' 500 "Personality

Patterns". Stripes, plaids, and windowpanes in expressive bold colors and fabrics.

Come in today and let us show you all the great shapes and patterns styled for your spring wardrobe.
