

Notice of Application by

The Corporation of the Township of Terrace Bay for approval of the construction of sewer and water works for which a special rate is to be imposed and for approval of the enlarging of the existing Sewer and Water Areas and the Municipal Service Area so that all of the lands in Plans M121, M143 and M226 will be included in such areas.

TAKE NOTICE THAT:

1. The Council of the Corporation of the Township of Terrace Bay intends to apply to the Ontario Municipal Board for approval of the construction, as an extension of a public utility undertaking under the provisions of the Municipal Act, of:

(a) watermains in the Lakeview Subdivision as follows:

| <u>Street</u>   | <u>From</u>                                | <u>To</u>       |
|-----------------|--|-----------------|
| Lakeview Drive  | approx. 885'E of Superior Ave. (Lot 514)   | Superior Avenue |
| Superior Avenue | approx. 340'E of Strathcona Ave. (Lot 564) | Lakeview Drive  |

including service connections from the distribution main to the street line, all in accordance with the plans prepared by Kimberly-Clark Pulp and Paper Company,

(b) sewers as follows:

| <u>Street</u>                     | <u>From</u>                                | <u>To</u>                                |
|-----------------------------------|--|--|
| <u>STORM</u><br>Lakeview Drive    | Superior Avenue                            | Approx. 885'E of Superior Ave. (Lot 569) |
| Easement                          | Lakeview Drive                             | Outfall                                  |
| <u>SANITARY</u><br>Lakeview Drive | Superior Avenue                            | Approx. 885'E of Superior Ave. (Lot 514) |
| Superior Avenue                   | Approx. 340'E of Strathcona Ave. (Lot 564) | Lakeview Drive                           |

including building sewers from the main sewer to the street line, all in accordance with the plans prepared by Kimberly-Clark Pulp and Paper Company at a total estimated cost, including engineering and contingencies of SIXTY-FIVE THOUSAND DOLLARS (\$65,000.00) of which the net cost of the municipality shall be FORTY THOUSAND DOLLARS (\$40,000.00) and which net cost shall be debentured, and intends to charge the net cost of the works as a sewer and water works rate for a period of twenty years upon lands that will or may derive a benefit therefrom which are hereafter described.
