

"I carry crop insurance to protect my farm investment — and give me peace of mind."

Irvin R. Skene, Oxdrift.

Crop insurance protects you against the hazards of a bad year — the weather, plant disease and insects.

Farming is a risky business. Crop production costs increase steadily, year by year. In contrast, crop yields vary — depending largely on unpredictable natural hazards which you can't control. But now you can protect your investment in seed, fertilizer, sprays, etc. — with crop insurance. Crop insurance guarantees your production — so you can cover your costs.

this comprehensive coverage for **less than half the cost.**

'No-claim discounts' — can reduce premiums by as much as 25%.
