building (which are already serviced) are not opened up to the public, and repeatedly points out that cost of servicing the new subdivision should be borne by the owner or purchasers of said lots rather than by those who have paid for the past twenty years on debentures raised to pay for the servicing of the lots they occupy.

Township Council have advertised in two separate editions of the News that anyone who objects to the raising of their taxes to pay for the extension program on Lakeview can do so by writing to them immediately.

LEGION PLANS ENTERTAINMENT FOR APRIL 19TH

The Ladies Auxiliary to the Royal Canadian Legion, Branch 223, held their March meeting with Mrs. S. Ballentine presiding. Mrs. C. Mercier read the minutes and Mrs. P. Jones gave the treasurers report. Mrs. Paul Sodaro was installed by the president, and welcomed to the club by the members.

After a short discussion period, it was decided to hold a penny auction and card party at the Legion Club Room on April 19th.

Mrs. R. Dakin and Mrs. P. Rochon agreed to convene same.

Bursaries were ordered to be given to elementary school pupils at the end of the school term.

A shuffleboard tournament was planned, to once again invite the neighbouring Schreiber Auxiliary, and Mrs. D. Gunter was to arrange a tentative date. Both teams will be playing hard for the famous "Harry Gusul Trophy",

Lunch was served by the committee in charge. Mrs. D. Gunter won the Pot of Gold.

CAN OUR OBJECTIVE OF \$1,800 BE MET?

With the end of the 1970 Easter Seal Campaign approaching, it is disappointing to note that only 374 people from the Schreiber-TerraceBay-Marathon area have donated to the Crippled Children Easter Seal Fund.

As previously mentioned, half of the proceeds collected in the area go directly to support local Crippled Children. Most of these Children require expensive aids such as wheelchairs, special braces or visits to distant clinics, and your dollars are urgently required to meet their needs.
