Industries Limited mine on Ogden Mountain in the B.C. interior. One surface has been polished to a high lustre, where it will be kissed for luck by thousands of Expo' 70 visitors. For centuries in the Orient, it is believed that kissing or rubbing a piece of jade brings good fortune.

Two recent major jade discoveries in British Columbia by Kuan-Kin, and the team of Stan Porayko, Canadian Prospector and Larry Owen, Trading Post Operator gives indications that Canada could become the world's largest producer of quality jade. Over 100 Tons of Marketable jade has already been hauled out by the two claim holders.
