Men's Bonspiel - cont'd from page 7

Jim spoke a few words on his impression of Brier curling.

Friday and Saturday nights there was a social with dancing to the music of Doug Moore and Geo. Churney and Joe Kolotylo Friday night and to the music of Fred McColeman, Len Pineault and Joe Kolotylo Saturday night.

Judging from all the complementary remarks from out of town curlers regarding our Bonspiel and hospitality in general this was the best spiel ever.
