Mom...we're home!

Exuberant . . . noisy . . . hungry . . . demanding . . . children. You'd better believe it. And be prepared.

It pays, for instance, to have the full-time help of electricity on your side. A well-stocked, frost-free refrigerator-freezer. A modern electric range with time and temper-saving self-cleaning oven. Small electrical helpers for quick mixing, beating, frying, percolating, opening of cans. And with a dishwasher, there goes another big chore.

As for the laundry . . . you can forget it. An automatic washer and electric clothes dryer will take loads off your hands, anytime.

It pays, too, to have lots and lots of *hot* water always at the ready. (You can count on a Cascade electric water heater for that one.)

In fact, electrical help need never end — as long as your home has ample wiring, outlets and switches. If it hasn't, speak to a qualified contractor about Electrical Modernization. (And the Hydro Finance Plan.) Make it soon. You'll be so much happier when you hear that shout, "Mom . . . we're home!"
