

**PARENTS OF BOY SCOUTS & CUBS, PLEASE READ - AND HELP!**

On June 26, 27 and 28 of this year, there will be an International Scout Olympics held in Thunder Bay. There are ten events and every one of the thirty odd scouts in our troupe would like to participate in most of them. However, in order to enter an event, practice and coaching are required. Coaches and counsellors are needed for the different events and the different teams immediately, to participate for the next two months. Twenty to thirty fathers are required for this period to get the boys into shape. They will be competing with 800 - 1,000 other boys from United States and Canada and we would like to see them come out winners.

In order to find out more information and offer your services, call Ross Mitchell at the Mill from 8 - 4:30 or at home (3606) NOW! This event is only two months away and we are rapidly running out of time. Don't let your boy down.

**(1) CATALOGUE OF ONTARIO GOVERNMENT SERVICES**

The extent of this service is dramatically illustrated by this catalogue of more than 470 programs operated by the Government of Ontario on behalf of the people of Ontario.

The majority of these services are available directly to individuals. Others are available to organizations, businesses, municipalities, local boards, commissions and authorities. In all cases, their purpose is to help the people of this Province to achieve their social and economic goals. Its purpose is to be a bridge between those who seek governmental assistance and the branch or agency which has the responsibility of providing assistance.
