

FIELD DAY HELD AT TERRACE BAY HIGH SCHOOL

GIRLS' OCCUPATIONAL CLASS HOLDS TEA

On Wednesday, May 13, the Girls' Occupational Class of Terrace Bay High School held an informal tea for the wives of the staff. This tea gave the girls a chance to practise entertaining as a part of their two-year course.

Tea and coffee were served with doughnuts and danish pastry which the girls prepared themselves. Baby-sitting services were available.

With soft background music the ladies chatted and thoroughly enjoyed this opportunity to get together.
