

Track and Field Meeting - cont'd from page 8 . . . .

Classes were cancelled Wednesday afternoon and the students of Terrace Bay High gathered in the school grounds for the annual Track and Field Day. Lots of action resulted as the three house leagues competed in such events as shot put, discus, broad jumps, high jump, pole vault, and track. At the end of the day, House League Two came out on top with the greatest number of points.

Thursday afternoon brought to Terrace Bay the Terrace Bay - Schreiber Meet and again classes were cancelled for this event. Over seventy Terrace Bay High School students participated and several records were broken or equalled by competitors from both schools.

Some competitors worth mentioning included Larry Kusik who broke his own record in shot put; Mark Caccamo and Donna Chapman who set new junior shot put records and Jim Corrigan tied the high jump record.

A few of the exceptional athletes are Bob Timmerman who placed first in all five events he entered; Ken Turner who won one first place and two second places and Geraldne Belliveau who also won one first and two seconds.

Terrace Bay won out over Schreiber with total scores of 270 - 185.

Special thanks to the Physical Education Department and the Students' Council for the organizing

of both events.

Now the members of the Track and Field team are nursing their stiff muscles and looking forward to the big meet in Geraldton on Thursday, May 21st.
