

DISTRICT DEPUTY VISITS SILVER BIRCH CHAPTER

The regular meeting of Silver Birch Chapter #264 O.E.S. was held recently in the Temple Hall.

This was the official visit of Mrs. Myrtle Robinson, District Deputy, Grand Matron of District #17.

Worthy Matron D. Almos and Worthy Patron G. Husser presided over the meeting.

The minutes of the previous meeting were read by Secretary, D. Rummery, correspondence and thank you notes which had been received were also read. The treasurer Mrs. A. Farrow gave her financial report and accounts were handled in the usual manner.

The conveners of the Sick and Visiting committees from both Terrace Bay and Schreiber stated the number of cards and gifts sent out during the month.

Mrs. M. Robinson D.D.G.M. then proceeded with her inspection of the Chapter after which she spoke to the ladies, her address being most interesting.

At the conclusion of the meeting refreshments were served by Mrs. Gladys Hamilton.

Prior to the meeting a delicious Pot Luck Supper was held in honour of Mrs. M. Robinson D.D.G.M. Rev. G. Husser gave the toast to the Queen and also said Grace. Mrs. W. McKecknie gave the toast to the Grand Chapter - very ably responded to by the District Deputy. We were most pleased to have visitors, numbering twenty, from Thunder Bay and Rainy River with us for the occasion.

GOLF NEWS

We finally got a break in the weather on Saturday when the Men's and Ladies' opening tournaments were held.

Roy had the course in as fine a shape as could be expected at this time of year. We are now playing about half the greens.

Results of the opening tournament were as follows - Ladies - low gross - Peg Wellings - 100; runner-up - Julie Rattray - 102; Low net - Marg Phillips - 77; runner-up - Marilyn Thomas - 77.

Men's - Low gross - Trent Desaulniers - 82; runner-up - Kit Thomas - 84; Low net - Clarence Buck - 63 and runner up - Mike Moore - 74.

On Friday the Golf Clinic with Bill Hanley heading it up, assisted by Al Pattison and Dick Rattray, proved to be successful for the Juniors and Ladies who turned up. Those of you who have been holding back should get out and learn the basic fundamentals which are being taught. continued ..

There are apparently a few idiots left who do not have the brains to realize the terrible damage they are doing to our golf course by not replacing divots. The number of fresh divots noted during the tournament last Saturday was appalling! The people out on the course were mainly regular members - men - ladies and juniors. Provisions are available to severely penalize any member who deliberately digs divots and doesn't replace them - and these penalties will be invoked without hesitation.

It should be noted that one of the highlights during the tournament was a birdie on six by Jan Hall.

Men's Twilight Tournaments will start this Wednesday. Let's all get out and join in on the fun.

RUMMAGE SALE - JUNE 5TH AND 6TH

The Afternoon Group of Terrace Bay Community Church Ladies Auxiliary met Monday with Mrs. June Schritt welcoming members.

Mrs. Lil Harris took the worship service. Mrs. Harris read the secretary's report and gave the financial statement.

Mrs. McCausland, reporting on the recent sale of maple syrup, stated it had been suc-

cessful.

The women rolled bandages for the Leper Colony, and sorted rummage for the rummage sale which will take place June 5-6.

First meeting of the fall, on September 21 will take the form of a pot-luck luncheon at Mrs. McCausland's summer cottage.

Mrs. M. Dorland and Mrs. I. Ferrier served lunch.

WALK-A-THON A "BLISTERING" SUCCESS

The Walk-a-thon staged by St. Martin's School can certainly be termed successful. Even the weather man co-operated by providing the nicest day we have had so far this year. Approximately 210 walkers started the 20-mile route from Terrace Bay to Schreiber and back. Of this number, about 190 reached Schreiber and 91 of these completed the round trip. The first to finish was Albert Cadieux, Jr. of Terrace Bay who jogged and walked the 20 miles in four hours. The first girl to finish was Tara Greenwood, a grade seven pupil at Terrace Bay Public School. Two kindergarten pupils contributed outstanding efforts: Nancy Gerlach walked eight miles and Donna Lapenskie covered the entire 20 mile route! Among the "old-timers" who were successful in completing the 20 miles were Gary Speck, of Holy Angels' School; Mrs. Maureen Paukstys, Mark Boudreau and Michael Anderson, all of Terrace Bay.

Of the Grade 8 students themselves (on whose behalf the walk-a-thon was held), all of the pupils participated. Every one of the cont'd page 15
