

## THINKING OF BUYING A PIANO?

Your child stands on the threshold of discovery! Music study will give direction and meaning to his or her explorations. If you never had this wonderful opportunity, all the more reason for your child to enjoy it. A developing personality needs musical education.

What instrument to choose? Educators agree on the PIANO.. Few other instruments can be played throughout a life time.

Don't let time pass your child by. While in Thunder Bay North, see Morrow Pianos at 196 South Algoma or better still take advantage of a visit to the Show room at your door, where later this month Pianos from Sherlock Manning and Heintzman will be on display.

There are good reasons for dealing at Morrow Pianos.

WE HAVE SERVED NORTHWESTERN ONTARIO FOR 20 YEARS and represent two of the oldest Piano manufacturers in Canada. One can be assured of good tuning and maintenance service for years to come.

ALL OUR NEW PIANOS ARE GUARANTEED FOR 10 YEARS.

ALL PIANOS PRICED TO SUIT YOUR BUDGET AND DESIGNED TO SUIT YOUR TASTE.
