SAFE BOATING WEEK, JULY 1 - 7, 1970

The Canada Safety Council is sponsoring Safe Boating Week 1970 with the aim of reducing accidents by alerting the growing number of Canadian pleasure boat users to the hazards they face and how to avoid them.

J.C. WIG ELECTED PRESIDENT O.P.P.M.S.A.

Joseph E. Wig, Vice-President, Kimberly-Clark Pulp and Paper Company Limited, was elected President of the Ontario Pulp and Paper Makers Safety Association during the Annual Meeting and Safety Conference held in Ottawa May 28-29. Mr. Wig has served two years as Vice-President.

The Ontario Pulp and Paper Makers Safety Association is a provincial organization of manufacturers of pulp and paper, corrugated boxes, and woods operations incidental thereto. The Association was chartered in 1915 to promote accident control within the industry. Its stated objective is to reduce to the lowest possible figure the number of injuries to employees working in the industry.
