NOTICE TO RESIDENTS

It is expected that an area paving contractor will be in the vicinity approximately August 1st.

Anyone interested in paving their driveway may so advise the Municipal Office. A complete list will be forwarded to the contractor who will then deal directly with the interested persons.

An estimate of \$2.50 per square yard has been given providing that all leveling and preparation is done by the property owner. Once the leveling is completed and prior to the application of the asphalt, the Contractor will compact the driveway with a large 10 ton roller.
