Golf News - cont'd from page 5

"Knights of Columbus" tournament, July 1st. Again remind all, you golfers that this is one of the most important tournaments of the year and this beautiful trophy is up for grabs. With the exception of the Wednesday twilights and the Adult-Junior tournament coming up on the 2nd, this will be the only major tournament until August 29-30th when our "Open" takes place..

A few of our members have entered the Pro-Am. tournament, at Strathcona Golfcourse this coming Saturday and Sunday, and we hope that they do well.

NOTE TO JUNIOR GOLFERS

Now that the summer vacation period is coming along, we would ask the co-operation of the Junior golfers, to make use of the facilities, during the early daytime. As we all know, the course becomes rather congested in the evenings and we particularly ask juniors that they not tee off from No. 1, between 5 and 7 o'clock in the evenings, in order to give the senior golfers a chance. We do not intend to discourage juniors golfing with their parents or other adults, nor do we discriminate against juniors who have summer jobs, but we would just ask you to all be considerate and do as much of your golfing as you can during the morning and afternoon.
