## KNIGHTS OF COLUMBUS TROPHY

The Knights of Columbus Trophy emblematic of the Handicap Championship of the Men's Club, was contested July 1st with a very good turnout of thirty-seven golfers. There were some very good scores turned in indicating the improvement in the local golfers game since the official opening of our course a scant three years ago. The winner with a net 66 was Trent Desaulniers, runner-up with 67 was Derek Wills and second runner-up was Jerry Dupas with a 69. Low Gross went to Tony Costa with a very fine 76 and Tony is to be congratulated on his score.

In all, there were eleven out of the thirty-seven golfers whose gross scores were in the 80's and 70's.

Club President, Dan Rafalant, after first thanking the Knights of Columbus for donating the beautiful trophy introduced Roly Sinotte to make the presentation to Trent Desaulniers. All in all, it was a fine day and the way the fellows are golfing there should be considerable and keen competition for the Club

## VANDALISM AT SWIM POOL

On Sunday, July 5th, the results of vandalism during the night caused our Swimming Pool to be closed for the afternoon period.

Some disturbed individuals threw empty pop bottles onto the deck of the pool, causing pieces of glass to be scattered both on the deck and in the pool itself; consequently, a major clean-up had to be performed, which took three hours.

. This is a good example of how one or two people can abuse a facility and cause a serious inconvenience to all the swimmers in town.

Let us all co-operate in this vandalism problem simply by reporting anyone found doing these acts of vandalism. Then, let's show by example how serious the consequences will be for anyone caught in the act.

## SUMMER PROGRAMME BROCHURES

We apologize for the delay in circulating our summer brochures 1970.

At the time of this write-up, the brochures were completed and ready to go. All residents within the Township should have received their programme brochure by today. If a brochure was not delivered to your door, please call the Recreation Office 3542.

We strongly recommend that you read your brochure and retain it for the remainder of the summer season as this will serve as a reference for all programmes.
