SCHREIBER YOUTH ACTIVITIES

On July 7th, a group of enthusiastic youths discussed a Recreational Program headed by Mr. Gary Speck (chosen by the Schreiber Recreation Committee as Supervisor). Committees were chosen to carry on responsibility of the following activities - social, sports, arts and crafts, finance and publicity.

Bandaramas, beach parties, dance-a-thons, coffee houses and sock hops hope to be held during the summer months to keep youths occupied. All of these will be very well publicized. We are asking those who could not attend this meeting to put forth an effort and make this summer an enjoyable one.
