PLAYGROUND PROGRAMME PARADE

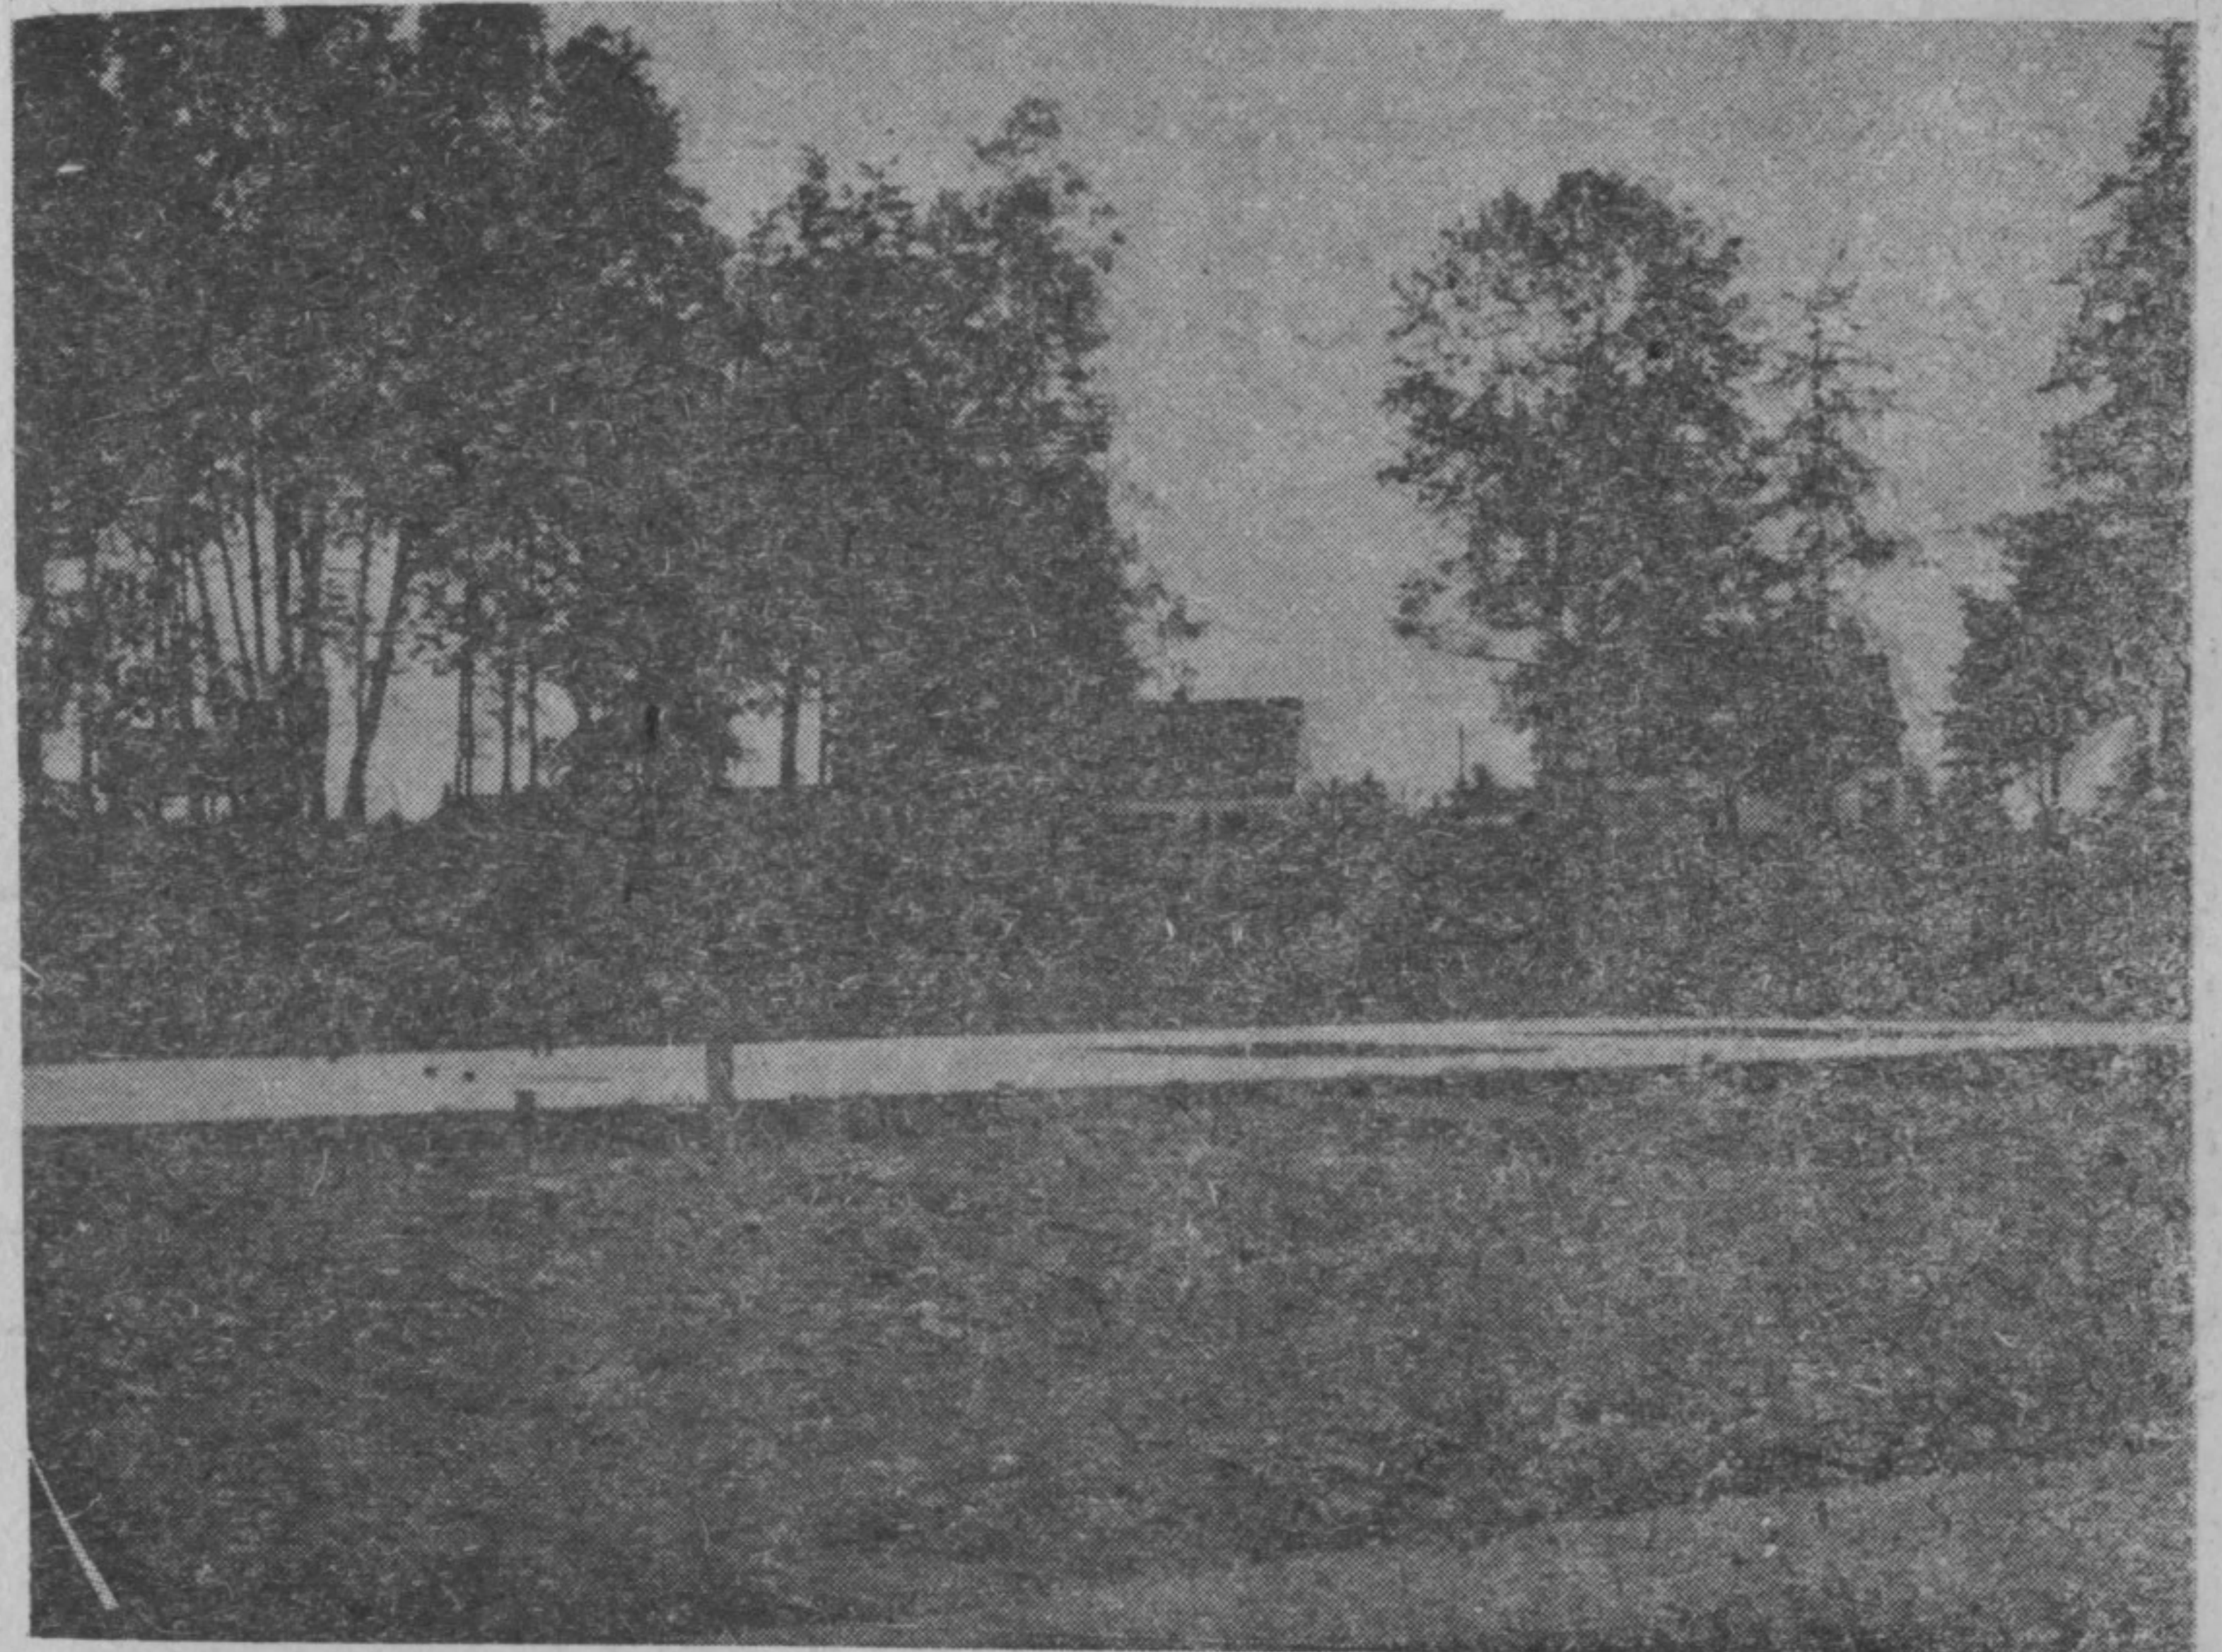

One of the classes in the Terrace Bay Playground summer Programme staged a parade around town last Friday, afternoon.

Since it took place with little fanfare many were unaware of the event.

The photo above shows the group as they assembled. Like all good parades there was a rear guard. This one got behind just a little although the rider did his bit to make his "horse" keep up with the rest of the group (photo below).

WORK STARTED ON NEW FIRE HALL

It doesn't look like too much in the photo above but it's the foundation of Terrace Bay's New Fire Hall.

Situated behind the Municipal Office on Radisson Avenue the builders, Claydon Construction Co. Ltd., prepared the site by bulldozing the hill side. Contract for the building is estimated at \$26,935. and it is scheduled for completion by August 15, 1970.

Terrace Bay's Public Works Department is also busy repairing old and installing new curbing in several areas and of course, opening up the new section south of the highway.

THE CHILD PASSENGER

Most parents don't realize that many car seats and child harnesses on the market today offer no protection in an accident. In fact, unanchored types which hook
