FRANCISCAN SISTER VISITS RELATIVES

Four generations of the Murphy clan converged on Chapleau some sixty strong, over the weekend to fete Sister Frances Lorraine of Pendleton, Ore., a niece of Mrs. E.T. Murphy.

The Sister, of the American branch of the family, is celebrating twenty-five years in the Order of the Franciscan Sisters and marking the anniversary by attempting to meet all of her relatives in both the States and Canada.

Her itinerary, starting from Pendleton, includes stops in Rawlins, Wyoming, Philadelphia, Newcastle, Delaware, Baltimore, Chicago, Toronto, Sturgeon Falls, Cartier, Chapleau, Sault Ste. Marie, Ladysmith, Wisc., Litchfield, Minn., Spakone, Wash., Portland and Le Grande, Ore.

The Sister's stories of her years of service were interesting, varied and at times most amusing. She has worked mostly with Indian and Mexican children and

for two years travelled in a trailer with other Sisters while they followed migrant workers in the States.

A highlight of her trip was the visit to the Mother House of the Order in Philadelphia when at a parade in their honor, nineteen Sisters each with twenty-five years service wore white habits and silver crowns. There were also twelve Sisters with fifty years service and of three with seventy-five years service, one was able to attend.

Mrs. Murphy, in thanking Sister Frances Lorraine for her visit, said she had shown by her own personality how the happy combination of one vocation and life work can be richly rewarding and a joyous experience.

Mrs. Bernard Paradis of Schreiber attended the reunion.
