WEDNESDAY, THURSDAY AND SATURDAY - 9:00 - 5:30 P.M.
FRIDAY - 9:00 A.M. - 9:00 P.M.

RECREATION BRIEFS - By Jerry Dupas

GIRLS' FASTBALL THIS SATURDAY

The Terrace Bay Girls' Fastball Team will play host to the Manitouwadge girls' team this Saturday, September 19th, at 2:00 p.m. at the Separate School field. Team coach, Mrs. Fisher and players ask that local fans come out to watch the game.

A return game will be held the following day, Sunday, September 20th in Manitouwadge.

Plan on attending Saturday's ball game.

SUMMER AWARDS AVAILABLE AT RECREATION CENTRE

ALL FASTBALL PLAYERS AND SWIMMERS ARE REMINDED TO PICK UP THEIR RESPECTIVE AWARDS AT THE RECREATION OFFICE. IN ORDER TO RECEIVE YOUR AWARD, BE SURE TO VISIT THE RECREATION OFFICE AS SOON AS POSSIBLE.

ROLLER SKATING PROGRAMME CONTINUES

A reminder that roller skating sessions will continue on Sunday evenings from 7:00 to 9:00 p.m. in the Arena. Since the last session is scheduled for Sunday October 4th, anyone interested in taking part should plan to attend the remaining sessions. Members and Non-Members prices prevail.

JUNIOR BADMINTON CLINIC OCTOBER 17TH

Based on the success of the Junior Badminton Clinic in the spring of 1970, the Recreation Department will again be sponsoring a 6-week Junior Badminton Clinic. Because of the over-registration in the spring of '70 we already have a number of registrants for the fall clinic. The clinic is open to both girls and boys 10 to 15 years of age, and anyone interested in taking part should simply pick up a registration form AT THE RECREATION OFFICE.

Interested children are reminded that the earlier they get their registration forms in, the better the chance of getting into the fall clinic. Further details concerning the clinic are available on the registration form.

WORKSHOPS - CLINICS

Is there any particular workshop or clinic you would like to see held in Terrace Bay this fall? If so, why not give the Recreation Office a call and inform us of your needs. If sufficient interest warrants it, the Recreation Office will do all it can to make the workshops or clinic become a reality.

Inasmuch as the Recreation Department will
