

PAT SPADONI WINS CLUB CHAMPIONSHIP

Pat Spadoni was a repeat winner of the Club Championship which was held September 6th and 7th in a rousing finish that nipped Bill Stachiw by 1 stroke over 36 holes. Bill looked like a sure winner on Sunday, scoring a spectacular 73 for 18 holes, whereas, Pat had his problems scoring a 80. However, on Monday, in a foggy and windy day, Pat showed great determination to score a 75 and Bill slipped to a 83, giving Pat Spadoni the Championship with a total 155 over 36 holes.

Other prize winners in the Club Championship were: Grant Solly - low gross for the 1st 18, total of a 78 and Charlie Koski - low gross for the 2nd 18 with an 81. Net prizes went to Ron Wood with a net 140 for 36 holes. Bill Pytyck with a net 69 for the 1st 18 and Jack Phillips with a net 71 for the 2nd 18.

We regret that pictures are not available at this time but we hope to have them for next week's news.

Men's Twilight, September 9th: - Low gross for the nine holes was Bill Hanley with a 38 and low net, Neil Ross 36 1/2.

One of golf's biggest thrills came to Jim Corrigan who watched his tee shot fall into the hole on No. 6 for a hole-in-one. Jim used a number 9 iron for the shot and has to be congratulated on this realization of a golfer's dream. Young Jim has been golfing well this year and we hope to see, not only he, but all the young juniors who are coming along so well, continue in their efforts and look forward to next year as we feel sure they have everything it takes to become low handicap golfers. Playing with Jim and witnessing the hole-in-one was Mark Dashkewytch.

Senior Men's Tournament - for the Standard Chemical Trophy will be played this coming Saturday. All the "young" fellows, 50 years of age and over, should enter this tournament. Put your name on the list which is on the bulletin board at the Club house. Draw will be made Friday so get your entries in now please.

ONTARIO HYDRO REACHES SETTLEMENT

The tentative settlement reached last Saturday by Ontario Hydro and the Ontario Hydro Employees' Union on the terms of a new contract is "both fair to our employees and recognizes current economic conditions and our responsibilities to our customers," - cont'd next column

J.D. Hamer, Terrace Bay area manager, said today.

The settlement, which is still subject to ratification by the commission and the union's 11,500 members, provides for an average wage increase of 13.9 per cent over two years.

It ended more than nine months of bargaining, including 3 1/2 months of mediation by the Ontario Department of Labour and a general work slowdown by union employees which started August 27th.

George Gathercole, chairman of Ontario Hydro, in commenting on the settlement said that while the varying wage increases provided for are comparable to current settlements in industry, "there is no doubt that they will add significantly to our costs of providing power". Cost to the commission will be almost \$18. million.

The new contract runs from April 1, 1970 to March 31, 1972. For trades personnel and most other employees, the 1970 wage increase will be 8.5 per cent, and the 1971 increase 7.25 per cent, including a 1.25 per cent prepayment of the escalator clause, which is based on the cost of living.

Weekly-salaried clerical staff will get a 6.5 per cent increase this year, and an additional 6.25 per cent in 1971, including the 1.25 per cent prepayment of the escalator clause.

Among other contract terms are a vacation pay bonus for long-service employees and, starting April 1, 1971, 100 per cent payment of premiums for the Health Plan.

The Afternoon group of the Ladies Auxiliary will meet Monday, September 21st at 1:30 p.m. at Mrs. McCausland's cottage. A pot luck luncheon will be served.

SCHREIBER

The Arts and Craft Club of Schreiber will meet in the Parish Centre at 7 p.m. on September 21st and 28th. Instruction in crochet and knitting, vests, skirts, etc. Please bring books, yarn, etc.
