A Guide on how to select the best Encyclopedia for your own needs and what you should expect to pay for them.

Guide to books that are desirable but not essential. Suggested age suitability chart.

This book covers Encyclopedias, Dictionaries, Atlases, Medical books, subscription books, magazines and history, available at the Library.

The Library now has available for rental a 16 mm. Kodak projector. Borrowers must hold and Ontario Projectionist card and be able to show same when renting projector from Library.

Organizations interested in having their own projectionist should submit applications to the Terrace Bay Public Library or Terrace Bay Recreation Office for a course coming up in the near future. We would require about 15 applicants and the course would be given on a week-end.

All Film bookings are made at the Library and must be 2-3 weeks before date of showing. The Library has an extensive list of films available in almost all areas of interest.
