

"THE OWL'S HOOT"

THOUGHT OF THE WEEK

Description of a great man: "When I met him, I was looking down. When I left him, I was looking up."

UNIVERSITY EVENING

On Wednesday, October 14th, Representatives from Ontario Universities and the Department of University Affairs will be holding information sessions at Schreiber High School from 6:45 p.m. until 9:00 p.m.

Students, parents and interested persons from Rosspoint, Schreiber and Terrace Bay are invited to attend.

The evening will be comprised of three sessions, each forty minutes in length. Visitors may choose the three University presentations they wish to hear.

Coffee will be served following the sessions to provide an opportunity for informal dialogue with the University representatives.

EVALUATION SYSTEM

On Tuesday, October 6th, students of Schreiber High School explained to their parents the evaluation system which would be in effect for the 1970-71 school year.

The students are evaluated on day-to-day work rather than scheduled examinations. It is believed that the daily measure of a student's performance is more valid than that of a "pressured" examination period. The day-to-day work will include: classroom participation, projects, tests, notebooks, and oral presentations.

First year students will receive reports in October, March and June. Second, third, fourth and fifth year students will receive reports in November, March and June. In all subjects, the total of the marks from the first term, plus twice the mark received in the second term, plus twice the mark received in the final term will be divided by five to obtain the final mark. This system requires that a student work steadily throughout the school year. Regular attendance and satisfactory progress in each term is required in order for a student to have a successful year.

Parents wishing to discuss the evaluation system are invited to contact the principal by telephoning 824-2555.

TEACHER OF THE WEEK - MR. BISHOP

One of our new teachers, Mr. Bishop, is involved in a varied range of subjects at Schreiber High School. He is a Guidance Counsellor and also teaches English, Mathematics and History. Mr. Bishop is familiar with this area as he grew up in Thunder Bay. He received his elementary teaching certificate in North Bay and later obtained his Bachelor of Arts degree at Queen's University.

Mr. Bishop has had several years of previous teaching experience. He was involved in elementary and adult education in Thunder Bay. He taught elementary school for two years in Florida. For the past few years Mr. Bishop has taught high school in Belleville.

Although he spent five years in the east Mr. Bishop prefers the Northern country. He notices that the students here are much closer-knit than in the larger cities.

While residing in Thunder Bay Mr. Bishop received his Private Flying License. Besides enjoying flying he also likes canoeing.

Mr. Bishop is married with four children. We hope that the Bishop family enjoys their stay in Schreiber.

Canadians use between 20 and 70 gallons of water per person daily.

YOUR SECOND INCOME AWAITS

Company requires responsible man or woman to refill snack vending machines with national brand products. Can net dependable person excellent second income. Applicant must be honest, energetic, have serviceable car, devote 8 to 10 hours weekly and be able to invest \$1,500 to \$3,000 for inventory and equipment. Routes established. No selling. More info provided if your letter contains details on self. When writing please include phone number. Sunway Distributing Ltd. Suite 2100, Place de ville Ottawa 4, Ontario
