

thoritative group of doctors and experts who have evaluated, without bias, quality products from over 60 different companies. And it makes possible, quick easy cost comparisons of drugs that meet highest quality standards, enabling your doctor and your pharmacist to take active parts in the PARCOST program.

Also, your Ontario Government has obtained the co-operation of participating pharmacists in agreeing to standardized pricing methods.

Everyone can help make the PARCOST program work. Discuss it with your doctor or pharmacist. And when you have a prescription to be filled, look for the PARCOST symbol at the drug store. Displayed on the door or window, it tells you that the pharmacist is co-operating to help you obtain prescriptions at reasonable cost.
