

accidents. Accident hazards will always exist; the way to avoid them is to work defensively.

Our job

Our job is to see that you get all the benefits of the Workmen's Compensation Act. This Act is financed by assessments on employers, and offers protection in the case of on-the-job accidents to more than two million men and women working in Ontario.

report of every accident
We can act on a report from the injured man, from his employer, or from his doctor. From the day we hear of the accident, we can put the first compensation cheque in the applicant's hands in five days.

The disabled worker needs your goodwill
Whether you're an employer or a fellow worker, give him a chance to show what he can do. It's a man's abilities that count, not his disabilities.

GUIDES AND BROWNIES - Cont'd fr .pg.7
September 28th in the Community Church with a very good turn out. The meeting was opened with the Guide Prayer and Mrs. Caron chaired the meeting. Mrs. Hazel Howarth, Division Commissioner, visited the meeting and encouraged mothers to take an active part in the Guide movement. She stressed that it was not necessary for a mother to know anything about Guiding. If she was at all interested, she would be trained to be a leader.

The Guides have three new leaders, Mrs. Pam Jones who worked with Guides a few years back, Mrs. L. Cormier and Miss Sharon Brown. Mrs. Saranpaa is working with Brownies. Mrs. S. Dakin's resignation was regretfully accepted.

The L.A. was informed that there would be International Training for Leaders in Thunder Bay, Oct. 24th at 9.00 A.M. at the Royal Edward. All leaders are requested to attend. The Trainers will be from Toronto. Also, a Commissioners Conference will be held in the afternoon. On Nov. 13th, there will be a Division Training in Nipigon and it is hoped that all leaders will attend this training also.

A nominating Committee of Marg Stevens and Yolande Rajotte was picked and nominations will be at the Oct. 26th meeting. The Registration fee is now due.

Fly up is to be held on Oct. 19th in the basement of St. Martins Church and all parents are invited to attend.

A bottle drive was held by the Rangers on Oct. 17th.

The meeting was adjourned and a lovely lunch was served by Mrs. Rita McBride and Mrs. Gail Moore.
