Top Traction Without "Morning Thump"

3-T VYTACORD SUBURBANITE

26.95

Four plies of Vytacord cord, interlocking "S" tread plus a special rubber compound combine to give more traction, more service, than any economy tire. Available in whitewalls and low walls in most popular sizes.

Your Best Winter Tire Buy In This Price Range!

3-T NYLON SURE GRIP IV

18.95

Four full plies of "stronger than steel" nylon give the best protection against winter road hazards at this price. Its rugged deep tread is the one that made the name "Suburbanite" synonymous with winter traction. Sure Grip IV is also available in whitewalls and in some of its most domestic models as well as many imports.
