CREST THEATRE

Schreiber High School played host on October 22nd to the Theatre Hour Company, an Ontario Department of Education sponsored acting troupe working from the St. Lawrence Arts Centre.

Presenting an excellent program of plays, songs and poems on Canadian themes they captivated the entire audience. The poetry heard during the hour long show was written by Canadian students of various age groups. "The Ecstasy of Rita Joe", a play written by British Columbia's playwright George Ryga was particularly well received.

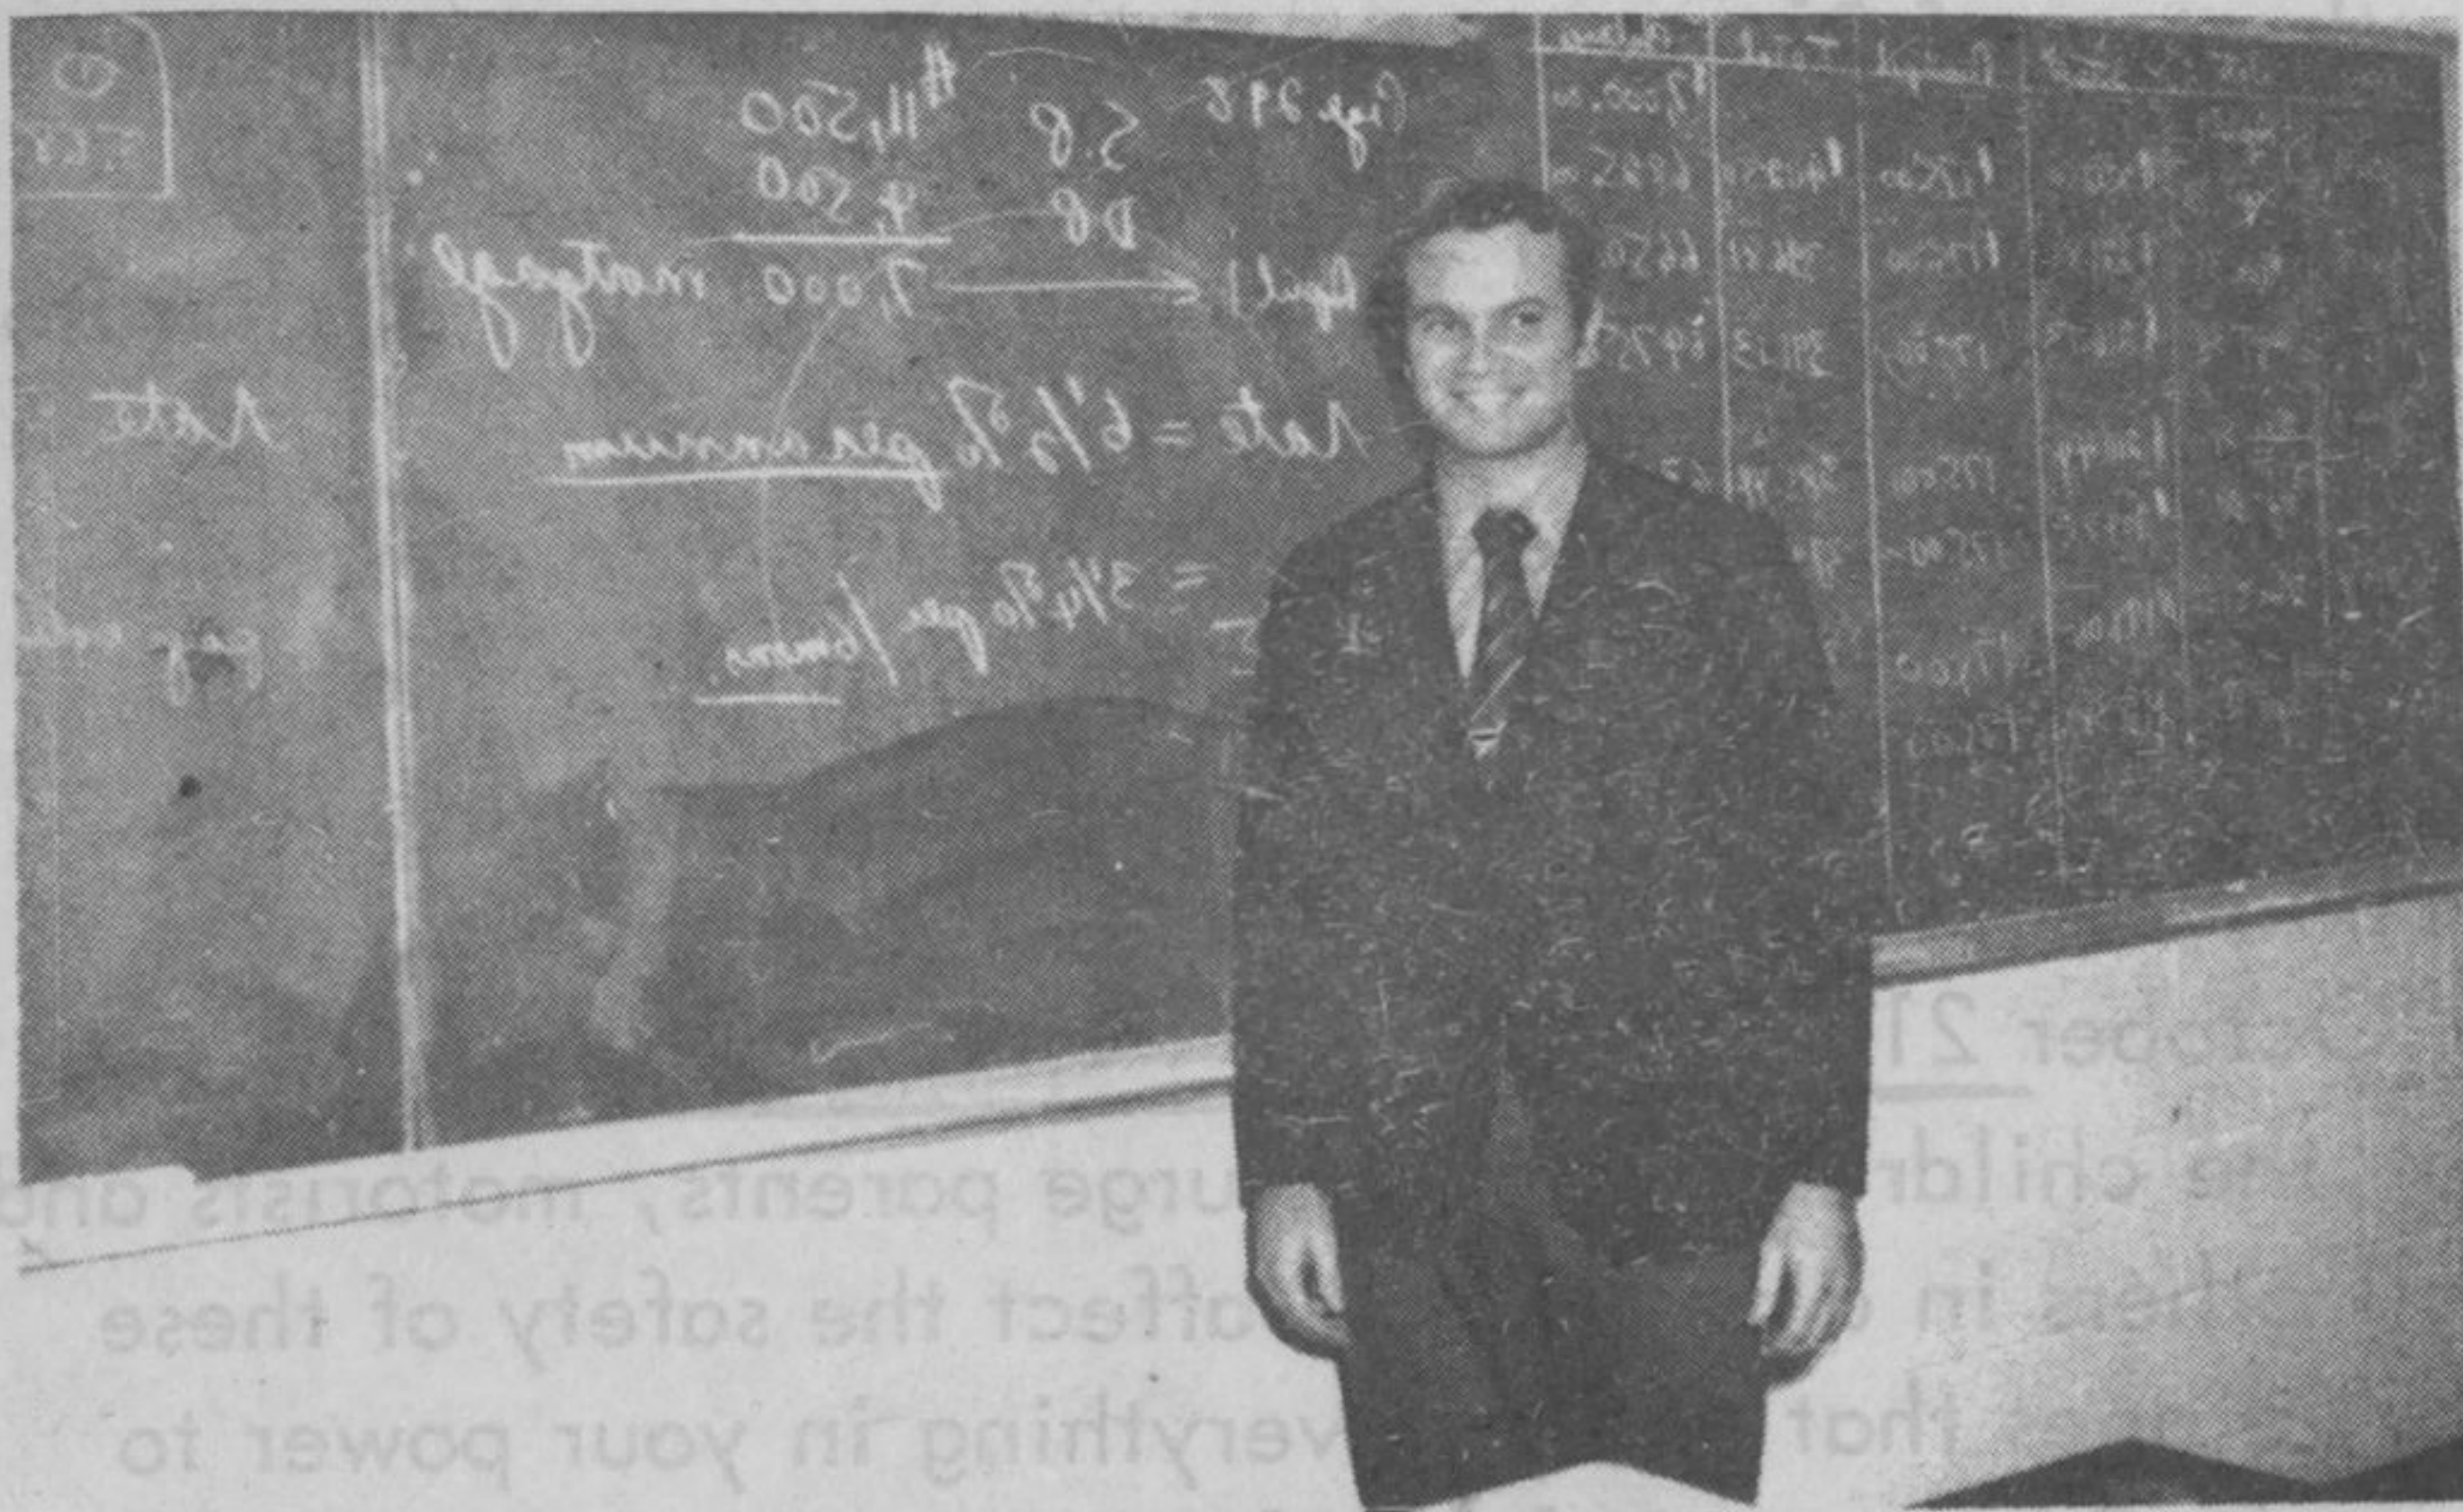

In their eighth year as a touring group the company presents a varied and fast-paced program with material suited for all age groups. During their twenty week bus tour the company gives performances throughout Ontario schools, spending eight weeks of this time in Northern Ontario.

With so little opportunity afforded us to see live professional productions it is a treat to view such an experienced and talented troupe of actors. We hope that they will return again to give others the opportunity to enjoy their performance.

TEACHER OF THE WEEK

For Mr. O'Hagan, who resides in Rosspport, Schreiber High School is his first experience in the teaching profession. He teaches Data Processing and Geography.

Before coming to Schreiber High School, he worked in Waterloo at the Mutual Life Co. for three years, and at Seagrams for an additional two years.

He enjoys outdoor sports and the outdoor life provided in our open spaces. To him, the people, as said many times before by others, seem to be friendly.

Mr. O'Hagan, his wife, and their sixteen month old baby girl are extended a cordial welcome to our area.
