

"THE OWL'S HOOT"

THOUGHT OF THE WEEK

Obstacles always show up when you take your eyes off the goal.

CROSS COUNTRY COMPETITION IN THUNDER BAY

The Schreiber boys and girls cross country teams travelled to Thunder Bay on Saturday, October 31st, to compete in the Northwestern Ontario Secondary School Competition.

Both teams are to be congratulated on the excellent effort they displayed.

The girls senior team placed first. Members of the team are: Jane Chopty, Judy Chopty, Wanda Gorman, Donna Noonan, Wendy Pitkanen and Vicki Lynn Smith.

The boys junior team placed second. Members of the team are: Ron Chicoine, Lonnie Connelly, Kim Gellert, Roy Huard, Bob Nesbitt, Bill Smilsky and Ricky Spadoni.

In the midget race, Mark Stokes placed 3rd in the two mile event.

LINDA TILLER RECIPIENT OF AWARD

Linda Tiller, presently enrolled as a third year student at Schreiber High School, moved to Schreiber from Scarborough, Ontario.

She recently received the General Proficiency Award for the highest aggregate in Grade 10 Arts and Science in Midland Avenue Collegiate Institute, which she attended in 1969-70. Midland Collegiate is a school of approximately 1200 students.

Congratulations are extended to Linda, and we wish her success in her future endeavours.

TEACHER OF THE WEEK

Another addition to the 1970-71 Schreiber High Staff is Mr. Pokorny, who teaches History and Man in Society. He obtained his B. A. degree at Waterloo Lutheran University.

Before coming to Schreiber, Mr. Pokorny taught for two years at Sioux Lookout and for one year at New Liskeard.

Mr. Pokorny enjoys outdoor sports and chess. He plans on remaining in Northwestern Ontario.

We, at Schreiber High, hope that he and his wife will enjoy living here.

Teams Travel Via Kimberly-Clark Road

On Wednesday, October 28th, the volleyball teams travelled to Nip Rock by bus. The boys competition between Schreiber and Terrace Bay had to be cancelled when word was received of washouts on the highway between Red Rock and Nipigon. Accommodation was arranged for the teams at Nipigon, as Highway 17 was flooded in several places.

On Thursday morning, highway 17 was still impassable, and it appeared that the students would not be able to reach home that day. However, due to the excellent co-operation of mill officials, the school bus travelled to Longlac where they were permitted to use Kimberly-Clark's private road to Terrace Bay.

The trip proved beneficial to the students and teachers involved, as the Kimberly-Clark woodlands operation was explained to them during the trip. Appreciation is extended to all those involved with the safe return of the teams.
