PUBLIC SCHOOL HOLDS OPEN HOUSE

The Public School, Terrace Bay, held Open House on Tuesday, to enable parents to visit the various classrooms, and watch their children at work and gain an insight into the workings of the classroom and the school as a whole.

The teachers and pupils carried on their studies, while parents and friends took advantage of the invitation to wander about at will.

There seemed to be little disturbance and the children were notably well behaved.

In the evening, a meeting was held when parents were allowed to go and speak to the teachers and present their questions and comments.
