

KIMBERLY-CLARK POLICY RE. PLOWING DRIVEWAYS

Residents of Terrace Bay wishing to have their Driveways plowed this winter may have this service on a continuous basis by filling in an application form at the Watchman Station.

As in the past, you will be billed once per year (April) for the number of times your driveway is plowed @ \$1.00 per plowing. Driveways will be plowed only when equipment is available.

In order to avoid damage to the snow blower or your property, please remove any objects from your driveway that could be chopped up or thrown by the snow blower.
