JUNIOR HOCKEY - By E. Kettle

The Terrace Bay Junior Superiors travelled to GERALTON over the weekend. They were walloped Saturday night 15-3. Masse Fukushima led GERALTON with 7 goals. Sitko, Capar and Desaulniers scored for Terrace Bay.

The Superiors played a much better game, but not good enough as they were again beaten 7-3. Fukushima again had 2 goals for GERALTON. Simmer, Sitko and Gresdal scored for the Sups.

Once again penalties were an important factor in the games. The Sups took alot of foolish penalties. However, this writer feels, a little more practise and conditioning will eliminate this. The boys are badly out of shape, but coach Jon MacDonald is doing a job and with a bit more practise the boys will do much better and start winning a few games.
