SKATE-A-THON GREAT SUCCESS

The recent skate-a-thon in aid of minor hockey was a most successful financial venture, supported generously by the public both in money and assistance in other ways.

Of the 113 skaters who began the 30 hour stretch, 27 finished. For the 12 and under, who were limited to 15 hours, 132 began and 63 finished.

St. John Ambulance was on constant duty, the food booth was open continuously by the women's artificial Ice Fund committee, the rink committee arranged the ice time, and the

music supplied by the high school girls was a great encouragement to the skaters. These girls also manned the office answering phone calls and carrying on other numerous duties.

The proceeds will be used entirely for minor hockey to pay for ice time, travelling expenses, equipment and other needs.

The committee in charge comprised of Harvey Carmichael, Pat Conley, Bill Stefurak, Jim Armstrong, Mike Smilsky, Frank McKenna, Tom Quinton, Joe Caccamo and Ted Wilson.

They are most grateful for the assistance given in so many ways by generous sponsoring of the skaters, attendance, and in many other ways. This is the second annual event and the committee see again improvements to be made for next year's program.
