

TO THE PEOPLE OF TERRACE BAY

I am going to try and explain to you about the much talked about sub division by-law, which was made out as to protect the tax payer who has already paid for his sewer and water. We shall talk about a sub divider who is a person who owns land and wishes to sub divide into lots so he can sell or give away these lots.

Now every town and city pass a by-law that reads any sub divider who owns land and sub divides this land for the sole purpose of selling this land shall install all services which are sewer water and Hydro and after

this work is all finished it shall shall be given permission to tie

Who owns this land on Lakey lots, the subdivider who tells y
