"OLYMPIC" TRIPLE TRACTION

Built to grip their way through snow, mud, slush or slick! Made especially for Western by a leading Canadian company featuring 4-ply nylon cord body and first-line tire tread compounds. Modern, quiet-running, deep-tread design for the utmost reliability. Exceed all government safety specifications. Our most popular tire for high-speed expressway and stop-and-go city driving. Install your set today. You can't go wrong with "Triple Traction!"

GUARANTEE
"Olympic" tires installed on passenger cars are guaranteed during their original tread life to be free from defects in workmanship and materials, and to withstand normal road hazards without limit as to time or mileage.

"KENNAMETAL" TIRE STUDS

Add extra "deep-bite" traction to your snow tires with tungsten carbide studs! Provide up to 300% more traction and quicker stops on ice and snow-packed streets for safer, surer winter driving.

Buy an EXTRA WHEEL

Save Money, Time
and Trouble!

With an extra wheel you can keep your winter tires permanently mounted.

- you'll save money on tire changeovers twice a year
- prevent bead damage to your tires
- be able to install your own winter tires
