## WESTERN TIRE STORE HOLDS GRAND OPENING

A throng of congratulating and interested shoppers, attending the opening of Peter Speziale's new store on Walker Street. The business is a branch of the Western Tire and Auto Supplies, but carried a wide variety of other merchandise.

Favors were given to men and women, and small boys delighted in perching cowboy hats on top of cozy parkas.

The ribbon was cut by Reeve Fred Harness, who offered the formal good wishes of the town to Mr. Speziale.

Dean J.M. Cano, Rev. E.C. Prinselaar and Douglas Beattie of the Montreal headquarters of the firm all spoke briefly.

Marc Lessard of Montreal also was present for the opening.

Winners of the Money Tree were Mrs. Jean Carmichael, Schreiber, Mrs. A. Berndtsson and E. Hickerson, Terrace Bay and Mrs. Shubridge won the television.
